

Entry form for photos for INPS 2011 Idaho Native Plant Photo Contest. Please complete and include one form with each photo entry. Each photographer may submit up to 5 images total. The entrant must have taken the photo being submitted and have the right to enter the photo. Model releases must be included if the photo includes an image of a person not in the photographer's immediate family. Property releases must be included for photos of private property not owned by the photographer or his or her immediate family. Form may be cut and pasted into a Word document and submitted with the photo as an attachment.

Suggested subjects are:

Idaho native forbs and grasses

Idaho native plant habitats or gardens

People in interaction with Idaho native plants (work parties, restorations, field trips, etc)
