

# Idaho Rare Plant Conference

## CALL FOR PAPERS

### Boise, Idaho October 23-24, 2013

This is a request for presentations and posters for the Rare Plant Conference. Student papers and posters are especially encouraged.

Abstracts and associated information (please refer to pages 2-3 of this call) must be submitted by **20 September 2013** to:

Beth Colket ([beth.colket@powereng.com](mailto:beth.colket@powereng.com))

Authors will be notified about the selection of their presentation by 27 September 2013.

**For those interested in presenting during the “To the Point” session (10 minute presentations), you need only submit your name, contact information, presentation title, and a brief presentation description (2-3 sentences).** The “To the Point” presentations are good opportunities to update colleagues on interesting observations that could lead to future research or projects you are initiating, have in progress, or have preliminary results for.

**All other presenters please see instructions below.**

\*\*\*\*\*

**Abstract submission form: Please submit the below information as a word document (use Microsoft Word 2000 or later version) to [beth.colket@powereng.com](mailto:beth.colket@powereng.com)**
