

Non-local Native and Xeric Plant Nurseries and Seed Companies - Intermountain Region
Ann DeBolt, Idaho Botanical Garden
Revised August 5, 2015

The following is not meant to be an endorsement of any of the listed companies. It is merely a guide for those interested in obtaining native and drought tolerant plants or seeds from our region. It is by no means complete, so if you happen to notice a company that is missing, or any outdated information, we would appreciate you letting us know.
